

The site plan for Lot 97 (12,051 sf) shows a proposed building footprint with a dashed outline. The lot is bounded by Lot 96 to the west and Lot 98 to the east. The north boundary is 103.00' wide, and the south boundary is 103.00' wide. The west boundary is 117.00' long, and the east boundary is 117.00' long. The plan includes a parking area with 10 spaces (5 on the west side and 5 on the east side) and a sidewalk along the south boundary. The proposed building footprint is 103.00' wide and 117.00' long. The plan also shows existing topography with contour lines labeled 962, 963, 964, 965, 966, 967, and 968. The lot is situated adjacent to Foxfield Court, which is shown as a street with a sidewalk and a crosswalk. The plan includes various dimensions for setbacks, building footprint, and parking spaces. The lot is labeled 'LOT 97' and '12,051 sf'. The surrounding lots are labeled 'LOT 96' and 'LOT 98'. The street is labeled 'FOXFIELD COURT'. The sidewalk is labeled 'SIDEWALK'. The plan also shows existing utility lines and structures.
