LOCATED IN THE SE1/4 OF NE1/4 AND THE NE1/4 OF THE SE1/4 SECTION 13, TOWNSHIP 5 NORTH, RANGE 9 EAST,
VILLAGE OF OREGON, DANE COUNTY, WISCONSIN

NOTES

- Outlot Designations:
Outlot 11 - Dedicated to the public for stormwater management
Outlot 12 - Dedicated to the public for stormwater management
Outlot 13 - To be owned and maintained by Ridgeview Development, LLC and to be used for group mailbox purposes.
- Public Easement terms and conditions:
 - "Public Utility Easement" conveys to the Village of Oregon and any public or private utility the perpetual right to excavate, grade, install, operate, maintain, remove and replace facilities, above or below ground, for the provision of water, electrical, gas or telecommunications services.
 - No structure or tree may be constructed, planted, installed or maintained within any of the foregoing easement areas. Neither the Village of Oregon nor any public or private utility exercising its rights within the foregoing easement areas shall be responsible for any damage or loss to any structure, tree, or landscaping within the easement area, excepting restoring the grade and reseeding areas disturbed by their work within the easement area.
 - The final grade over the foregoing easements shall not be altered by any amount, except that the grade in any easement area may be altered with the written approval of the Village of Oregon and, with respect to Public Utility Easements, any other public or private utility having a right to use the easement area.
 - Pursuant to Wis. Stat. 236.293, the Village of Oregon and any public or private utility having the right to use the easement area each have the right to enforce the foregoing easements at law or in equity against anyone who has or acquires an interest in the land subject to these easements. These easements may be released or waived in writing by the Village of Oregon or public or private utility having the right of enforcement.
 - "Stormwater Easement" conveys to the Village of Oregon the perpetual right to excavate, grade, install, operate, maintain, remove and replace facilities, above or below ground, for the purpose of draining or conveying surface water.
- Arrows indicate the direction of surface drainage swale at individual property lines. Solid drainage shall be graded per the approved Grading Plan on file with the Village and maintained by the lot owner. Elevations of the drainage swale shall not be modified unless modified with the approval of the Village Engineer.
- Distances shown along curves are chord lengths.
